Equine Registration

If your goal is to ride for placement in any of the AERC award programs, or if you just want accurate mileage records maintained, you **MUST** register your equine(s) with AERC and provide the assigned ID at all events. This ID number will remain with the horse through his lifetime and will not be re-issued. Each new member is allowed to register one equine free of charge. **Any additional equines may be registered for a fee of \$15 per horse.** Enclose check or VISA/Mastercard information.

Please note: AERC's rule 3.1 explicitly states, "The equines entered in the full distances must be at least 60 months old at the time of the ride." For limited distance rides, rule L3.1 notes that the age requirement is a minimum of 48 months. Age is determined from the actual foal date. That means you cannot enter an equine in a ride even a day shy of his actual birthday.
